

DODDIGALLU PRASANTH

Software Engineer | AI & Machine Learning Enthusiast | Full Stack Developer

+916304224251 | doddigalluprasanth@gmail.com | LinkedIn | GitHub | Andhra Pradesh, India

PROFESSIONAL SUMMARY

Results-driven **B.Tech Computer Science Engineering (AI & ML)** undergraduate with a **CGPA of 8.40** and expertise in **Python, Core Java, SQL, Data Structures & Algorithms, and Machine Learning**. Passionate about **Full Stack Development, Generative AI, and AI-assisted software engineering**, with hands-on project experience, strong analytical and leadership skills, and a commitment to building scalable, innovative software solutions.

TECHNICAL SKILLS

Programming : Python, Core Java, SQL

Core Computer Science : Data Structures & Algorithms, Object-Oriented Programming, Machine Learning Fundamentals, DBMS, Computer Networks, Deep Learning With Applications, NumPy, Pandas

Version Control : Git, GitHub

AI & Developer Productivity Tools : Generative AI • Prompt Engineering • LLM-based Productivity Tools • AI-powered Research & Documentation • ChatGPT • Claude • Google Gemini • Cursor AI

EDUCATION

B.Tech – Computer Science Engineering (AI & ML) 3rd
Year

Dadi Institute Of Engineering & Technology CGPA :
8.40/10

Intermediate (Class XII)
93%

Gayatri Junior College

SSC
89%

Z.P.H High School , Nakkapalli

PROJECTS

Aqua Anakapalle Water Management -Water Facilities & Drinking Water Availability Application

- Designed and developed a technology-driven application for identifying drinking water facilities and nearby water resources.

- Conducted field surveys and collected real-world data from multiple locations to improve accessibility and resource management.
- Demonstrated analytical thinking, problem-solving, and community-centered innovation during the Community Service Project.

CERTIFICATIONS

- Quantum Fundamentals Program under Wiser Qubitech, jointly conducted with Amaravati Quantum Valley.
 - Java Full Stack Developer Virtual Internship Program, jointly conducted by AICTE (Received Offer Letter).
 - Career Edge Essentials Certification by TCS iON.
 - Yuva AI Program by TCS iON.
-

ACHIEVEMENTS

- Successfully completed a technology-based **Community Service Project** addressing water management challenges.
 - Demonstrated leadership through project coordination, teamwork, and effective communication.
 - Continuously strengthening expertise in **Data Structures & Algorithms** and **System Design**.
 - Focused on building scalable, user-focused applications and continuously improving technical capabilities.
 - Strong commitment to lifelong learning and innovation in Artificial Intelligence and Software Development.
-

SOFT SKILLS

Problem Solving | Critical Thinking | Analytical Thinking | Team Collaboration
| Communication | Leadership | Adaptability | Time Management | Continuous Learning
